Learning for Life ...

SHOWING TO THE WORLD

– THE JOURNEY OF ‘OUR FOUNDER PAR EXCELLENCE’!

No matter what people claim, the reality is that success does not make its way overnight! It's like a plant that has to be watered and nourished daily, right through its genesis as a sapling, to the time it blossoms with shimmering colours and even beyond...! It is the right time of the year to share with all readers of this Special News Letter, the remarkable journey of an outstanding academician, a brilliant mentor and change maker, a person driven by sheer passion and enthusiasm, a visionary so dedicated and benevolent, a history maker so dauntless and selfless, a life long learner so energetic and enlightened and above all a legendary leader so stunning and inspiring!!

I am sure, we all now know that this is the story and a crisp life journey of our beloved Founder and Correspondent Dr. R. Kishore Kumar. His story is of a man who started his career as a Biology Teacher in 1981 with St. John's Senior Secondary School, Mandaveli, Chennai and has grown leaps and bounds after undergoing several trials and triumphs and enduring to several hardships and sacrifices, that has all lead us to SJPS, Medavakkam which stands tall influenced by its Founder's zeal and lofty goals and whose 10th Foundation Day we are celebrating today!

CHILDHOOD AND EARLY LIFE

Born on 16th June, 1960 in Nazareth, Thoothukudi District as the first son of the Founder Couple of the St. John's Group of Schools - Late RT. Rev. Dr. G. Rajakumar, a Central Government Employee then and Late Mrs. Sakunthala Rajakumar, a teacher by profession, Dr. R. K started his schooling in St. John's Senior Secondary School, Mandaveli. As a young lad, Dr. R. K excelled in academics and was described by his teachers as a bright and hardworking student who had a strong desire to learn. As a child, he always aspired to do Medicine and possessed the childhood dream of becoming a Doctor. He studied and worked strenuously and got admission into a Medical College after completing his schooling. But it was his dad's desire and request of becoming a noble Teacher that Dr.R.K obliged and respected, thereby giving up on his Medicine dreams for the cause of Educating the Society as much as he could. This speaks of the esteemed reverence he had for his parents and the belief that his parents' decision would turn out to be good for him, whose fruits we are enjoying today through his various roles at St.John's Group of Schools!

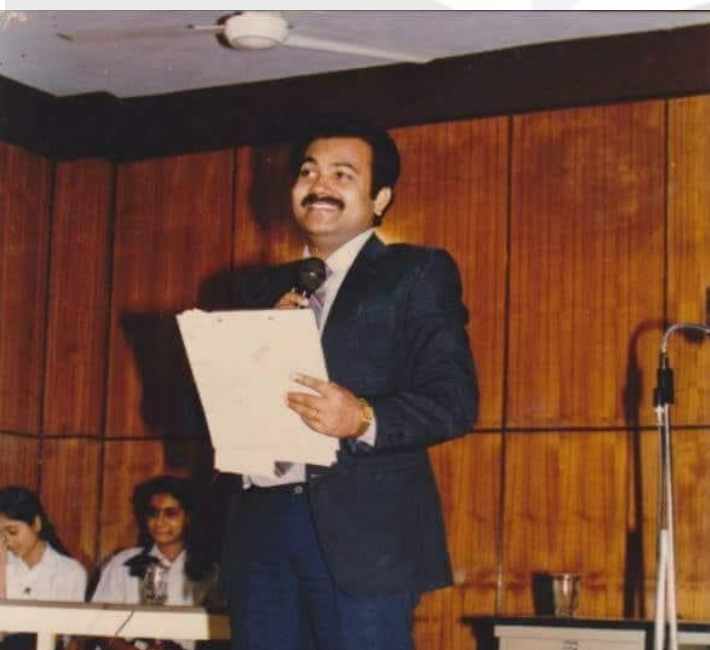

EDUCATION AND CAREER

Dr. R. K took his first degree in Zoology in New College, Chennai followed by his Post Graduation in Zoology from Madras University and a Post Graduation in Education from Madras University. He also holds a Doctorate Degree in Education from City University, Los Angeles. Having proved his mettle as a Biology Teacher in St. John's Senior Sec. School, Mandaveli, he was promoted as the Vice – Principal (Administration) in the same School for the year 1982 – 1983. Later he was transferred and promoted as the Principal of St. John's English School & Junior College, Besant Nagar, Chennai. Bringing up this institution from 400 students to 2000 students was no easy feat but was possible because of his academic and administrative abilities. He has put on 10 fulfilling years of service in this Institute as a Principal (1983 – 1993) and later served as the Correspondent and Administrative Head till June 2006. Those were one among the wonderful chapters of his life, wherein he would be surrounded by the love and warmth of Students, the moment his car enters the Campus and all of them getting prepared for a vibrant Assembly Time.

REMINSCING SOME GOLDEN MOMENTS...

It was even during those years that Dr. RK the concept of Schooling go beyond conventional academics and curriculum and offered the students a spectacular range of activities and clubs handpicked all by himself. He motivated his young friends (The way he likes referring to School Students) to develop their genuine interests and talents by trying their hand at these wide range of

co-scholastic and extra-curricular activities. Dr. RK has also shared with us, his fond memories of taking his students on his Maruti 800 and sending them to external competitions and discussing the strategies of performing well in those competitions during their car journey. Dr. RK also demonstrated his expertise and immense Educational Experiences as the Senior Principal at St. John's International Residential School ever since its inception from 1993. During this tenure, he also introduced a plethora of Programmes, Conferences and Symposiums at City Level and National Level for the benefit of the Students and Faculty Members.

2012 - THE YEAR BOOKMARKED FOR A REMARKABLE BEGINNING!

The cosy communities in and around Medavakkam, Pallikaranai, Velachery and parts of OMR were waiting for an Educational Institution where learning and growing up would happen in a happy, innovative and modern environment. St. John's Public School, an English-medium, co-educational, full-fledged CBSE school, the Flag-ship school under St. John's Rajakumar Education & Research Trust opening its gates at Lake Bund Road, Medavakkam on 16th June, 2021, was an answer to the community's prayers.

The School captured the attention of the community since the moment of its foundation, admitting 1046 Students for its first academic year that had from Classes Pre KG to Class VIII. To help the Founder Dr.R.Kishore Kumar fulfil his strong vision and mission, was a handful of 45 dedicated teachers who were nothing but a collection of stalwarts. Dr.RK's genius improved manifold, the ambience of the new creative nest that would teach its little ones to fly on their own wings confidently and that every child who entered the gates of SJPS Medavakkam, knew his or her potential would never be left unexplored.

The School which had welcomed 1046 children in a bright summer in 2012 has spread its colourful rainbow wings in the same way, just like its students. The campus with the heart, soon grew into a bigger building accommodating new innovative infrastructures so that it could bring more and more children into its lovely and caring fold till Class XII. The initial set of Faculties handed over the batons to a burgeoning number of new teachers who were inducted and trained as per SJPS standards, which means more minds, hands and hearts to sow the seeds of knowledge and rear saplings of excellence in every classroom of SJPS. The journey, taken since 2012, has been a magical one, marked by splendid milestones and today the SJPS Family has a team of 2600+ students and 155 Teachers taking bolder strides towards excellence under the able guidance of our mentor Dr.RK. Well, needless to say that SJPS is not a bookworm. Blended curriculum, transformative learning experiences, skill-based studies, gusto celebrations, workshops and enrichment programmes, Club Activities, Olympiads and Co-scholastic activities for students of all Classes from Pre KG to Class XII make the School calendar, an action-packed one!

THE START OF NEXT INNINGS...

In the year 2017, Dr. R. Kishore Kumar started another full-fledged campus - **St. John's Public School at Siruseri** next to the IT Park. This magnificent school too flourished under his guidance and is gradually growing into a complete education centre of all rounded excellence. You can't help but wonder, how he was able to fulfil the same, along with his growing responsibilities. But I did tell you in the beginning that this is a story of a leader who is self-motivated, enthused and is a pro at spreading his vigour to the entire SJPS Family!!

AWARDS & HONOURS

Undoubtedly, **Dr. R. Kishore Kumar** had won several awards and titles throughout his journey so far, some of them being “National Award for Computer Literacy Excellence for the state of Tamil Nadu” for the year 2003 from the hands of Hon'ble President **Dr. APJ Abdul Kalam**, “**Science Popularisation Award**”, “**Udyog Gaurav Award**”, “**Mukta Adhyapak Shiromani Award**“, “**The Centenarian Seva Ratna Award**“, “**Academician Honour Award**“, “**Best Principal Award**”, “**The Most Inspiring Teacher Award**” - through online polling among Students ,

“**Padma Vidyasagar**” Title and Times of India - “**Edupreneurs Award**” and many more. Despite the range of titles, he had earned throughout his lifetime so far, the down to earth visionary prefers to call himself a **TEACHER!!** Amazed?

THE FINAL WORD

Even after achieving his long-cherished dreams, the learner within him never halted down. An ardent believer in God, a great orator, a public speaker, a much sought after guest speaker, a profound writer, a fascinating traveller, a critical thinker and analyst, a person of infinite energy, wisdom and strength and an all-rounder himself, with as much as 4 decades of rich experience in the field of Education, Dr. R. Kishore Kumar's long and eventful journey is a nothing less than a clear example of perseverance, passion, hard-work, grit and determination!

“Sir, with all our hearts, we reverently salute you today, for we all know, you are a person who has completely dedicated yourself from head-to-toe for the one and only cause of education! Your relentless efforts tower like a beacon as we follow your virtuous path of imparting true and meaningful education to the Student Community, a dream that you have bestowed on us and we remain dedicated to pursuing and accomplishing your vision. YOU INSPIRE US BY EXAMPLE, AND YOU ARE INDEED AN UNIMAGINABLE DYNAMO IN THE WORLD OF EDUCATION!!!”

ALUMNI CORNER

MY ENRICHING JOURNEY IN SJPS

My 7 years of schooling since 2012 at SJPS right from its inception was nothing less than a journey full of experiences which taught me a number of key learnings. There's a blend of scholastic and extra-curriculars with a myriad of activities to sharpen my skills and exhibit them through various intra as well as interschool platforms. Involving myself in all these have helped me to balance studies, develop hobbies, improve time-management and many more which are driving me better as I venture through college and life in general. I remember entering SJPS as a soft spoken person, but as years went by, the different exposures the school offered, right from being a class monitor to taking up posts in Student Council has helped me speak up and inculcate values of leadership and teamwork. Overall, it was an enriching period at SJPS, and I'm grateful to everyone who was part of this journey with me, including Correspondent Sir, Principal Ma'am, Staff, friends, and above all, to God Almighty for this beautiful time spent as a Johnian!

Amy Deborah Rupavathy. S
Bachelor of Medical Science CMC, Vellore.

Greetings,

I remember walking into SJPS on my first day. I was immediately taken aback by the welcoming nature, the camaraderie, and the deep-rooted values of the campus. It was very soon my second home and a place I loved to be at. I became a member of the tight-knit family.

My time at SJPS has been immensely transformative. I distinctly recall not being able to address even a small group of three or four when I came to SJPS. Our principal recognized this, and I was provided with plenty of opportunities to speak at gatherings. Four years later, I was awarded "best orator" of the year. SJPS strikes the perfect balance between academics, extra-curricular activities, etiquettes, and life skills. I am a well-rounded individual today, and I thank the school for the same. Learning here goes well beyond classrooms and blackboards. Thanks to our correspondent, Dr. R

Kishore Kumar Sir's frequent interactions and mentoring sessions with students, I was constantly motivated towards performance and discipline.

My teachers changed the way I approached learning. They encouraged me to ask many questions and not to let go until I understood the concepts. Throughout my time at SJPS, I was strengthened academically to tackle the most challenging exams of the country. I explored every subject deeply, which gave me sufficient clarity to choose the path I'd pursue for my career. In conclusion, SJPS prepared me for the world.

My sincere thanks to SJPS and congratulations on entering its decennial year. Though I've graduated, the proud Johnian in me remains.

Shyam Sundar Bharathi
B. Tech – Computer Science and Engineering,
Manipal Institute of Technology

Hello! I'm Padma and I graduated from SJPS two years ago. Some of my best memories are from my time at St. John's, and of course, there were some painful truths I learnt along the way too - looking back it was a gentle period of reformation and relearning and I am so grateful that I was given the time and chance to discover the parts of myself that I did. Time and again, whenever I wanted to take on new opportunities or participate in different activities, I was able to put my best foot forward thanks to the assistance of my teachers and the encouragement of my peer group. I learnt to try new things, ask questions and support my peers too.

The most important lesson I learned from SJPS is that growth is never linear. We are growing everyday and every little experience adds to it. I wish anyone reading this all the patience and curiosity in the world to work with yourself lovingly and discover new things to add to your palette.

Padmavathi Venkatraman

University of California, Berkeley.

It was a sunny day in June 2012 when I remember walking down the ramp, covered in red carpet as teachers welcomed us, to my first day of school in St. John's Public school. The air was electric with excitement and so was my heart. Prior to joining SJPS, in the nine other schools that I had been a part of, I was always dismissed as 'the quite kid'. But the day I entered this, then quaint little school; my life changed forever. I told myself that this time, I won't look back and that I will show everybody what I am capable of. There began my metamorphosis, a journey of self-discovery. Now when I look back, I am truly grateful for all the skills I learnt in SJPS, most of which helped me survive in a highly competitive international environment. As the motto goes, I indeed learnt lessons that helped shape my life, which equipped me to excel in all areas and not just academically. I still reminiscence many fond memories from my days in SJPS, from being in the student council, training for sports events to my last day on campus, it had truly been a marvellous time. To all my fellow dreamers such as myself, continue to dream and reach for the stars, I'm sure if you're a part of this institution you will surely get there.

Margaret Kezia Ragland

Bachelor of Design, University of Melbourne

My Journey at SJPS

At the very outset, I would like to express my gratitude to the SJPS family and extend my warm regards to the readers reading these columns. My years at SJPS can barely be fitted in these pages. Looking back, I realise, I stand with cheerful memories of these years created alongside great friends and nurturing teachers, but that is not all. Apace with these souvenirs, I had the good fortune of learning cardinal morals, which I believe were more than what any textbook could have offered me and these morals are to this day the compass that I lean on. Through my journey, I am forever humbled by the fact that I remain a student in life, continually learning and growing, to live prudently with all that I am offered. My journey at SJPS was just that I was 'learning for life'.

Chris John

Sathyabama University, Chennai

What a joyous moment as SJPS steps into its 10th Academic year. God's blessings, the dynamic leadership of our **Chief Mentor Dr. R. Kishore Kumar Sir**, the staunch support of our parents and the blossoming students are the ingredients of today's success. I would like to express my sincere gratitude to Sir for his Astounding leadership, far-sighted Vision and for nurturing the strengths and talents of his team members @ SJPS of what we are today. Each and every brick @ SJPS has been built upon Strong Faith in God, the guidance par excellence by the Chief Mentor, the ever ready to learn team of educators, amazing parents and loving rousing children. Thank you Sir for this Lovely Temple of Learning that you have give education in its truest sense.

MRS. SHANTHI SAMUEL,
Principal, SJPS.

A decade is an important milestone for any institution. The journey of SJPS through these years has been a journey of accomplishments, challenges, opportunities and learning. In this challenging world, our focus is to nurture our students with confidence, resilience and courage to face the world positively with confidence. We believe students need to be taught to develop faith in their abilities, to learn to compete, not with others but with their own self, which eventually Brings in growth and progress. On this day as we near the completion of a decade, I wish to extend my heartfelt thanks to the Principal, Heads, our team of Teachers and each and everyone who has been a part of this decade long journey. A very special notable mention to our parents who have stood by us through the years. My wishes and blessings to all our students, the very essence of SJPS. May we march ahead to provide an enriching learning experience, thus preparing lives!

Mrs. Deepthi Anderson
Director, SJPS

My journey at SJPS paved the way for fostering my interests and making me a well-rounded individual, for which I am forever grateful today. I was given the opportunity to be part of the Student Council for all my years and ended my final year in 12th as the Head Girl. Together with my team, we volunteered at multiple events organized by the school, extending from academic workshops to multi-cultural events. I also participated in numerous inter-school competitions, mainly academic, literature or art-oriented to compete as a representative of SJPS. I also became fond of giving speeches to a crowd, a skill that has greatly benefited me today in a world where communication skills are quintessential. My love for scientific research stemmed from the diverse topics that we were taught by the teachers within our classroom. The amazing teaching staff, principal, correspondent, and dean together supported every student in their journeys throughout the school years, providing guidance and opportunities at every stage. Today, I study at an international research-led university as a result of my experiences at SJPS. The challenges and opportunities presented during the crucial academic years of my schooling have led me to where I am today.

Ms. Tithi Gandhi,

Bachelor of Biomedical Sciences (majoring in Reproduction, Genetics and Development),
University of Otago, New Zealand

Parent's Testimonial

It gives me huge happiness to see SJPS achieve yet another milestone of completing 10 successful years. I would say SJPS is the best in its administration. The most wonderful thing of SJPS administration is that it concerns for the parents and students. It thinks about the students, teachers and their families in the first place when taking decisions. The school has been there at every moment of my child's development and has molded them all these years so well. I'm so happy to be a part of SJPS family and congratulations to Correspondent Dr. R. Kishore Kumar sir for making this happen. I heartfully wish him to achieve more milestones like these and to take the school to a much higher standard.

Mr. Saravanan Chandrahasan,
Parent of Mast. Chandravel S, XII A

It has been such wonderful nine years since I have been part of SJPS as a proud parent. The school has given a supportive environment to promote strong relationships among staff and students. They have implemented meaningful education practices that develop students' ability to manage their own learning. The school has taught skills and habits that build student's social, emotional and academic competence. Congratulating SJPS for the decennial year!!! SJPS always stick to its core values & philosophy!

Femy Wasim, Parent of Miss. Mehnaz Fathima XII B

We, as parents of Master Glen Mathew, would like to wish the school a very happy 10th foundation day. On this memorable occasion, we would like to convey our heartfelt thanks to the school for its meticulous efforts in guiding and helping its students achieve their best in their academic and extracurricular endeavours. We wish the school the very best in all its future ventures.

Maria Antony Paul and Immaculate Louisa Princy,
Parent of Mast. Glen Mathew.

We had the good fortune of learning with SJPS for more than 8 years, as our son Pranesh joined Pre.Kg in the academic year 2013-14 and daughter Hansrudha joined Pre.Kg in 2016-17. It's been a wonderful journey. School as they say are second home for students, it's not just a mere statement here, it's followed with all the proper care and passion. Our kids had lot of fun and had very good learning in SJPS. It provided a safe environment for them. It trained them not only in academics but gave equal focus to co-curricular and extracurricular activities. That helped in creating lot of wonderful memories for us to go back and cherish, seeing our younger ones in fancy dress competition, dancing, singing, drama and sport activities. We would like to thank the teachers for not only training in academics but also taking initiative and spending additional time to support those extracurricular activities. Extra classes like Phonics, Olympiad, Coding and science project activities enrich their learning experience. Also, we thank the management for the constant encouragement and support they have given to the students. It's good to see the school doesn't rest on its past laurels and continue to explore and experiment new classes with change in times. Keep going strong SJPS!! We are ready to take this exciting journey with you for next decade.

Siva R & Sadhana S, Parents of Hansrudha S, III A)

Greetings!

St .Johns Public school is the foundation of our kid's education, life and providing tools they need to face their future. I would like to thank you for inspiring, caring, listening, guiding and shaping our kid's future. The effort put by the teachers during this pandemic situation is really appreciable. As Robert M.Hutchins said "The object of education is to prepare the young to educate themselves throughout their lives." I strongly believe SJPS will fulfill that objective. I am very proud of our kids that they are being a part of such an amazing school and look forward to learn about the new things.

Wishing the school for more achievements!

Happy Foundation Day!

Regards,

Mrs.Rukmony

Parents of

Miss. S.R Abirami & Mast. S.R.Pranav, UKG B

A Decade it is for St John's and how! 10 years of providing quality education for children who are the future of a country and shaping their lives as well. A correspondent who is a visionary, a brilliant management and a wonderful teachers is what SJPS should be given a feather in the cap for. I take this golden opportunity to congratulate SJPS for reaching their decennial year with élan! On the other hand I am also glad that both my girls call it their second home. Cheers to many more such decades to come!

Mother of Alisha VIA

My daughter, Fiona Jane is stepping into her 6th year with SJPS. When we look back all these years since her KG days, the school has groomed her as a student as well as a person.

She used to be a shy girl lacking social skills. The customised attention provided by the faculty helped her improve in all aspects along with education. She completed KG with 'Best Outgoing Student' award. What a transformation !!

Even during the tough times due to the Pandemic, the school kept up the momentum with improvised learning methodologies thus maintaining the enthusiasm and eagerness of students with Co-curricular and extra-curricular activities.

We wish all the best to SJPS on the milestone and hope they continue to provide their services for the young souls for many more years to come. All the best !!

J.Preethi Janet, Parent of K.Fiona Jane,III B

Greetings to you,

Even in these desperate times the involvement for development of child-teacher relation and evolvement in the new

methodology is an unprecedented example which displays the dedication and attributes of a school.

I would like to mention the extra-ordinary measures taken by the school for designing the activities keeping in mind the capability and psychology of a child where parents can utilize the inoperative energy and time for the betterment and learning of our young ones.

We are happy to associate ourselves with the kind institution who thinks in the overall development of a human beyond the paper & pencil education.

Wishing you all success in the Decennial year & Happy foundation day dear Sir!

First, we would like to congratulate our St. John's Public School for stepping into the decennial year. A decade is an important milestone for any institution. We thank God Almighty, for we were able to witness tremendous achievements and outstanding performances in the past ten years in this prestigious institution.

Thanks to our respected Correspondent Sir, from whom we inherited a strong and sound foundation. Education is something that permeates throughout one's life and helps them to comprehend its true value. With this thought

in mind, SJPS empowers its students with powerful tools and concurrently aids them to discover their full potentials & identify their role in the world. We witnessed students being taught to develop faith in their abilities and learn to compete - not with others but with their own self which eventually brings in progress.

We wish the school every success, and May God bless the school & everyone who are part of it.

- Parents of Joselyn Devonah. J (VII E)

Happy Schooling!!!

Schooling is one of the pillars for the growth of young kids. SJPS School is one of the great pillars for the growth and development of kids. SJPS nurtures the students in a way of learning through play, which helps them to think out of the box. SJPS cultivates the knowledge of kids by sharing activities among the kids through activity-based learning. Friendly way of communication and discussion between the teachers and students bridges the big gap between

them. This has been purely achieved by enormous effort taken by Management and Principal. During the tough times around all over, still kids are learning through digital medium with lot of determination by Management, Principal, Teachers and supporting Staffs to achieve happy schooling. Thanks and Wishes for all the efforts and determination. Happy foundation day!!!!

Saravanan BV/Mutharasi N

Parents of Miss.Mahati. S, UKG - B

Excellent care, guidance and support for children, parents and staff. An interesting, engaging broad and balanced curriculum. Strong links with the community. Staff enable children to reach their full potential. Children learn in a safe and happy environment. School is a warm and welcoming place for children, parents and visitors.

Selwin and Dr Poornima

Parents of Andriya Susan

I feel proud that my daughter Sree Darshni S R is a part of this prestigious school, St. John's Public School, run and guided by the great Educationalist Dr. R. Kishore Kumar.

St. John's School has always been a special place for my daughter, which has not only helped her to acquire the academic knowledge but also in nurturing and fulfilling her dreams and interest in co-curricular activities. The constant guidance and encouragement by the management and the teachers at every step has played a major role in her personality development and also infused her with courage and confidence to face this competitive world.

I am sure that she will come out with flying colors after completing her 10 years of journey as a Johnian.

"Team work leads to great success". This has been achieved and proved by the team in St. John's School led by the correspondent and Senior Principal Dr. R. Kishore Kumar and of course our beloved Principal Mrs. Shanthi Samuel. "My hearty congratulations and best wishes for many many more fruitful years".

"Coming together is the beginning, Keeping together is Progress, Working together is Success".

HAPPY DECINNIAL YEAR.

MRS. REVATHI PILLAI, M/O. SREEDARSHNI S R, XII 'C'

God has gifted SJPS with strength and ability to shine brightly in this world. It's an honour to congratulate the entire SJPS team on crossing the first 10-year in educating the students, an amazing milestone for SJPS.

SJPS holds an unique place in this city and its exciting as a parent to witness the growth and accomplishment of the school in educating young generation with uncompromised quality.

I would like to take this time to thank and appreciate all the hard work from the School Correspondent, Principal, entire team of teachers, staffs and children in keeping this education framework going smoothly even during this pandemic challenge.

Quoting Margaret Mead "**Children must be taught how to think, not what to think**" and can gladly attest this with SJPS.

Once again, hearty congratulations on achieving a major milestone (first 10th year anniversary) and wishes for many more to follow and wish blessings in line with this Bible verse. **God says for I know the plans I have for you, plans for welfare and not for evil, to give you future and a hope.**

Best Wishes

Mother of Jason Daniel Philip of Class VII B

Teachers Wishes

Happy foundation day sir,
I give glory to God for this day. We remember this day with lot of joy and happiness. With your solid foundation, leadership and guidance we have made it this far. All the best for a lovely year ahead sir.

-Mrs.Sukumari Kallu

It's indeed a moment of great pride that our school SJPS has completed 10 glorious years. I wish our Correspondent sir and entire fraternity of SJPS, students and parents on this special occasion a Happy Foundation Day and Pray that our school reaches new heights with collaborative team work.

Mrs.Kaumudi Satish

Your motivation to us is Extraordinary. You have shown us the ladder to success. You are a true mentor to us. I hope to follow your steps. Let's have a wonderful Decennial year by the grace of our Almighty God. Happy Foundation day wishes Dear Sir.

-Mrs. Belinda. A

Pre-Primary Dept.

support and encouragement. My best wishes and prayers.

Mrs. Roselin M, Pre-Primary Dept.

Coming together is the beginning. Keeping together is Progress. Working together is Success.
Happy Decennial year...

Mrs. V. Gomathi

Happy Foundation Day Sir,
As the word of God says in Deuteronomy 8:2 You shall remember the whole way that the Lord your God has led you. Today we reflect back on how God has guided this school all the steps of the way. I pray that God will continue to lead you on this wonderful foundation day. God bless the work of your hand.

-Mrs.M.Dayana Tamilharasi

I am sending all the good wishes and love for the best mentor I have ever seen in my life. I always feel great to work under your leadership. Your guidance and leading are taking the school to greater heights.

I feel proud to be a part of this wonderful SJPS family and my best wishes for the Decennial Year Foundation day 2021-22!!!

- Mrs.Uma Lakshmi AR.

Pre-primary dept.

Thank you Sir, for being an excellent mentor and for guiding me on the right path. I will always be thankful to you. Not only have you been a fantastic mentor to me, but you have taught me how to mentor other people.

Mrs.Sunitha silvia.A

“Education is a real foundation for our lives”. St. John's public school have been the perfect toppers in the field of education for all these years but it is always you sir (Dr. Kishore kumar) behind the screen as a strong pillar. May you continue this journey of success with pride. It is indeed an immense pleasure for me to congratulate on this decennial year foundation day. I thank you for this strong superstructured

To a stalwart of Academic Excellence –
 Born in a family that touched the Heart of God,
 Nurtured in an environment that touched the hearts
 of children,
 Groomed to serve the academic needs of young
 learners,
 Raised to rise above the boundaries of mundane
 thoughts and actions;
 A visionary, a missionary for the cause of Education,
 A beacon on a high intellectual pedestal,
 The Founder and Chairman of this jewel of
 Excellence in the Field of Education,
 St. John's Public School- Dr. R.Kishore Kumar.
 I am privileged, blessed and honoured to be a part of
 this esteemed institution and serve with you as an
 inspirational leader and mentor sir!
 Blessed Foundation Day wishes for this Decennial
 Year!!!

Mrs. Angelin Christopher Roy
 Head Teacher, Pre-Primary Dept.

It is a great feeling to be part of this institution with which I have been associated ever since it started in 2012, initially as a parent and now as a teacher .It has been a wonderful journey which has now turned to become more purposeful. "Teaching is one of the best life lessons you can get. My experiences here ,have taught me a lot of discipline and time management and in all has made me become more efficient , get to know my own capabilities and has enabled me to grow as a teacher . I extend my heart felt wishes in congratulating our dear Correspondent , Director ma'am, Principal ma'am and the rest of the entire team of teaching and non-teaching staff of SJPS ,on 10 years of truly life-changing education and asking learning a memorable experience.

Mrs. Pratiba

The destiny of Hard work is always success. Sir, you as a leader have succeeded in guiding us (Teachers) with your support, coaching, directions, nudge and thus the greatest things are happening and will happen in coming years with all success.. Wising you a Happy Foundation day Sir!

Mrs. Sri Resha C,
 Pre-Primary Dept.

It is indeed a pleasure for me to honour our beloved correspondent sir on this special day: for his zeal, enthusiasm and passion towards this school.

You are a great mentor and strong leader of this school .For me, it's been a wonderful experience to work under this management. As we are stepping in to the 10th year (Decennial year) of this school I wish all the very best and this year is going to be a memorable year for everyone! I am proud to be a part of St. John's family. Happy Foundation Day Sir!

Mrs. K. Rizwana Banu

As a consummate mentor.....

You created in me a passion for learning

You made me feel "Education is Everything" for Children

You melted and moulded me as a high- minded teacher

I am so glad that our school is celebrating its 10th foundation day

I hope and pray that our school reach greater heights.

-Mrs. Vimal leony G.M
 Pre-Primary Dept

A school is a place that provides education and education is the key to life. The fundamental purpose of school is learning, not teaching. As you all know our vision of our SJPS school is "learning for life". Our school paves the way for our children to see success which is the sum of small efforts, repeated day in and day out.

Mrs. Sheeba J

PGT, Department of Science

I wish to greet you all during the foundation day of our school. This is the day to commemorate and celebrate the founder of SJPS which has brought us all together as a close-knit family. Through this esteemed learning institution, we have brought forth hope and light into the lives of a lot of students from across the globe. I am sure all of us feel honoured to be members of such a venerable institution.

I wholeheartedly wish and pray to God to grant great success in all the endeavours of SJPS.

Mrs. Ellmona Joean Immanuel

PGT, Department of Social Science

SJPS a temple of learning. Pure and serene, completely dedicated to mould the younger generation into better humans. May it flourish multifold. Best wishes to the Founder on this special day.

**-Mrs. Irene Manley ,
HM, Primary School**

Sincerity Capacity Honesty Orderliness Obedience Learning. My school St. John's Public School is a perfect example of how different people can live together, work together, and learn together,"

My School community respects each other,

supports each other, and helps each other to succeed"

Mrs. Jai Sakthi BB.

You are terrifically tireless, Exceptionally excellent,
Abundantly appreciated And Magnificent beyond words!!!

So overwhelmed that The school is Entering into its Decennial year...

Hearty wishes..!

-Mrs. J. Angeline

This is The School of Excellence ,the School of learning Art integration and the School of dedication is meant only for the life of Students. The name St.John's Public School is been fascinated during this Pandemic situation because "Nothing can stop us to give education to the children " even when things are impossible around us. There is a cultural morality and ethics of learning is been inculcated to each and every child studying over here. I wish many more years of celebration.

Mrs. Angel Joshua

SJPS a learning Paradise , welcomes our great learners.....CHILDREN!!!!!!

A big heart shapes little minds and sets goal to activate child's own natural desire to learn with joy.

Mrs. Muthamizh M

I congratulate SJPS on this special milestone year. This achievement is no accident. It is all due to hard work, determination along with passion towards providing good education. All schools make children literate. But SJPS provides holistic development in children. SJPS widens knowledge and aids children to learn for their life. On this ecstatic day, I wish SJPS carries on with the voyage of success with pride! I wish and pray for many more years of success!

Mrs. Kumudha

Warm wishes for foundation day!!!

The carving and chipping away to create a masterpiece takes years of dedication and this made St. John's unique. The school moulded me to discover my interests passions and ultimately myself. Thank you SJPS.

Mrs. Mary Jasmine Noble

It's indeed a great pleasure to be a part of SJPS family and I am really happy to see the progress we've made. My best wishes to the school. We have to go a long way and together we will achieve higher goals.

Mrs. D Benita

Wishing SJPS all the very best on this decennial year. Many thanks to our correspondent and management for providing the world class infrastructure and clear teaching mechanism in shaping the lives of young India. Proud to be part of SJPS.

Mrs. Jothi

"We produce like a widget, a student that asks the right question at the right time with courage that roars, a voice that sings and an empathy that shows nuanced understanding for the people and world around them"

Mrs. Muthammil A

"Sending my warmest wishes to a wonderful School on this special day. Hope that the School will sparkle many more years and will become a successful School across the world!"

Happy foundation day!!!

Mrs. Aswathy Sumesh

Brick by brick, raised with knowledge, SJPS bonded with loads of memories, ambitions, and aspirations, Standing tall is this alma mater with pride anecdotes.

SJPS, the brainchild of our Mentor steps into the Decennial year grasping her children towards a promising future. The boundless dedication, heart, and soul of every single diligent staff echoes and recalls the expedition from its inception.

Bolstering up with cogency of imparting right education with the vision, Learning for Life. Thanking our Mentor for having given us the opportunity to educate and serve the young generation. Wishing students, Teachers, and Parents Happy Foundation day and welcoming all to the decennial year of SJPS.

Mrs. Ramya Uday
Vice Principal (Senior School)

“ SUCCESS IS A STATE OF MIND.IF YOU WANT SUCCESS,START THINKING OF YOURSELF AS SUCCESSFUL”

I feel privileged to hold hands with the Johnian family as it celebrates its Decennial year. The vision of one distinguished personality under his eminent leadership quality –our founder Dr.R Kishore Kumar’s vision” learning towards excellence” channelized year after year, has reached the epitome of success and it’s just the beginning. His vision and mission to educate and empower young minds continues to be his greatest gift. From humble beginnings to what the school has attained today is gratifying. I’ve been associated with Sjps from 2017, and it has provided a platform for me to be groomed and the journey thus far has been remarkable. The best view comes after the hardest climb, my prayers and sincere wishes for the success story of St John’s to continue...GOD BLESS

Shiny Boaz, Dept of English

What Gandhiji had said is assuredly happening in St. John’s Public School, Medavakkam, Chennai, where education is constantly upgraded, refined, and modified in tune with the changing circumstances, visibly and substantively improves the community it is embedded within, uses every resource, advantage, technology, and opportunity it has to grow student’s overall development. Students are mentored to think critically–about issues of human interest, innovation in technology, curiosity in sciences, artistry, craft, legacy, agriculture, research and more–and then do so. It is more than a School. Wishing the School Management, faculties and all dear students on the Foundation Day of the Decennial year.

Mrs. Sofia Prince , Department of Biology

Congratulation for the Decennial Year Foundation Day Celebration in SJPS. My Heart felt warm Greetings and Wishes to our Beloved Sir Dr.R.Kishore Kumar and Beloved Principal Mam Mrs. Shanthi Samuel, who worked so hard to build the Vision and Mission of the school in the successful path. Let Lord’s Grace and blessings always be upon our School. May this Decennial year bring more joy and happiness in teaching and schooling in the history of St. John’s. God Bless our School.

Mrs.S.Josephine Backiam, PGT, Department of Computer Science

WISHES FOR FOUNDATION DAY

Founded with a profound vision,
Deep rooted in faith and values,

Drenched and devoted in education for life, Standing on solid grounds is our zestful institution! Basking in the glory of its illustrious past, Carving a niche for itself at the present, And committed in raising a generation of change-makers for the future; May SJPS perpetuate the light of knowledge! Here comes a cascade of our wishes and prayers, For the deep and wide ventures in the days to come. May success continue to embrace SJPS!

**Mrs.Gemcy Ebenezer,
PGT, Biology Dept**

St. John's!!!! My Sanctuary..
A place where originality is in-store..
Dr. Kishore the captain of this gigantic ship of education..
Not only a role model himself but into the production of role models..
St. John's Public School...a place where one can find discipline and culture....
A blessing and panacea to education...

Mrs.Mary sumithra

School is a place which helps them to discover confident and empower young people of this generation. It is a place which provides a rich, engaging, interactive and collaborative e-learning environment to our students. I see our school as a lighthouse of education bestowing knowledge as well as ethical conduct upon us. Schools are the framework that builds our moral characters and serves as a pathway that we must follow to achieve our dreams. Nobody can teach us the way schools do.

-Mrs.vanitha

Best wishes for Johnians on the foundation day and I feel proud of being part of it. I admire the pillar of the school who created the highest, grandest vision possible for the life of thousands of students who have become what they believed and what they believed was inculcated during their learning.

Mrs.Rani Xavier

I have witnessed tremendous growth, achievement and outstanding performance of St. John's Public School, Medavakkam in the past ten years. In this challenging world, our focus is to nurture the student with confidence, resilience, strength and courage so that they face the adversities positively and fly with limitless possibilities and achieve endless success throughout their life. It is a matter of great pride to pen down the greetings and wishes for the foundation day and the decennial year in congratulating our Correspondent sir, Principal Madam, Cluster Heads and hardworking and supportive staff members who had made this school a great success in creating good human personalities for our society and our country.

Mr.P.Felix Ferdinand, Department of Mathematics

It's been nine glorious years for SJPS, making great strides in redefining education and discovering better ways year after year, to provide a true 'LEARNING FOR LIFE'! To me, growing with SJPS every day has been an incredible journey and it's nothing less than an honour to partake in this Milestone Day – The 10th Foundation Day! Here's to hoping that the Decennial Year ushers in new hope, outstanding educational experiences and unprecedented ways to learn, work and grow for both Students and Teachers! Congratulations to all of us, the SJPS Medavakkam Family on a decade of history-making in the field of education and here's to wishing our beloved Correspondent, much more success in the decades and centuries to come!

**REVATHI V,
HEAD CO-SCHOLASTICS**

I am extremely happy to be a part of a school that is instrumental in instilling the importance of music in the everyday lives of students. For me, MUSIC is life and I should say that SJPS has indeed blessed me with a chance to add life into all my music classes! I am sure, the Decennial Year at SJPS will be the best of our beloved Correspondent's compositions bringing in a lot of rhythm and harmony together!

Mr. Joshua P.A, Music Teacher

June 16th 2012 has always remained dear to the members of St. John's Public School, Medavakkam. It is this day that brought into the academic scene, an extraordinary institution which from that day on, never fell behind in the educational forefront. Today, as this prestigious institution reaches an important milestone, I extended my wishes to the teachers, students and everyone associated with St. John's Public School on its 10th Foundation Day.

Mrs. Priya Ruby G, Dept of English

An unique School,SJPS, that nurtures the children to gracefully develop into responsible global citizens,ensuring wholesome development in the process of educating them for a successful future.

Heartfelt wishes on this Decennial Foundation day.

Mrs.Jeslin

Vice Principal Middle School

St.John's is a School that is not build with only bricks and sands its built with...
Hope ,Faith,Wisdom and Service.Happy Foundation day.

-Mr.Karthick

SJPS success is no accident.It's hardwork,learning,sacrifice and all the love of what you are learning to do.SJPS helped to evolve the future of the little minds who believe in their beauty of dreams.SJPS achieved the goal of true education-student to think intensively and to think critically.

Priscilla Jenifer., Computer science teacher

SJPS is the best place to learn, to grow, and to be. It not just taught it's Johnians, but also all we teachers what it means to be dedicated to life-long learning! Wishing a very happy and special 10th Foundation Day @ SJPS!

Mrs.kiruthika

SJPS is a school where the children anxiously look forward for attending every day.A school where learning is fun, interesting and exciting.A school where our children can grow Â intellectually, socially, emotionally and spiritually – as fully functioning human beings.

~Mrs.Aishwarya

Progressing with a great vision and shared mission through concrete beliefs, tireless efforts and daily goals, SJPS has traversed ten glorious years. Looking back to this journey of a decade is quite enriching, rewarding and gratifying. We bow ourselves before the bountiful blessings of our almighty God for our good fortune to be a part of this successful educational journey of the past ten years in its true essence .

Mrs. I. Monica Samuel, PGT Economics

"Learning for life", meaningful liner by my school. Yes,

This is the appropriate place for us to learn for our life,
as a teacher and for the students as well.

Mrs.Subhashini

வாழ்த்துரை

பள்ளி நிறுவப்பட்டு ஒன்பது ஆண்டு முடிந்து பத்தாம் ஆண்டில் கால் பதிக்கும் எம் பள்ளி தாளாளர் அவர்களுக்கு எங்கள் தமிழ்த் துறை சார்பாக வாழ்த்தினை தெரிவித்துக் கொள்கிறேன். இந்த பள்ளி நிறுவப்பட்ட நாளில் இருந்து இன்றுவரை எத்தனையோ மாற்றங்களை நடைமுறைக்கு ஏற்றவாறு கொண்டு வந்துள்ளீர்கள். உங்களது சிந்தனை எப்போதுமே மாணவர்களின் வாழ்க்கை பற்றியது. அதுமட்டுமின்றி நீங்கள் மாணவர்களுக்குத் தேவையானவற்றை பெற்றோரின் நிலையில் இருந்து யோசித்து செயல்படும் விதம் தான் உங்களை இந்த உயர்ந்த நிலைக்கு கொண்டு சென்றுள்ளது. என்னை போன்ற ஆசிரியர்களுக்கு எப்பொழுதும் வழிகாட்டியாய் ஆசானாய் விளங்கும் உங்களை வாழ்த்தி நம் பள்ளி மேலும் மேலும் வளர்ச்சி அடைய இறைவனை வேண்டிக் கொள்கிறேன். நன்றி,வணக்கம்.
