

### Greetings from St. John's Public School (SJPS) and Dr. R. Kishore, the Founder Correspondent of the Group - St. John's Public Schools.

In the face of an increasingly competitive global economy, the need for students to make informed decisions about their careers has never been more critical, especially with the growing opportunities in various fields.

The Career Guidance Cell at SJPS was launched to disseminate information on Career Guidance across different age group of students and to provide practical support in areas such as resume writing and interview skills too. These tools empower students to not only navigate the challenges of higher education, but also to make a seamless transition into the workforce, ultimately achieving their career aspirations. It serves as a compass, helping students comprehend their strengths, weaknesses, and interests, offering a clearer perspective on the innumerable career paths available.

Our long cherished dream to extend our service to the entire student community through an extensive career fair has come alive. This year's Career Fair features the participation of 45 Higher Education Institutes, including universities and education departments associated with the Embassies and Consulates of the United States, Japan, Ireland, and France.

In this ever-evolving global landscape, career guidance becomes a beacon for students, illuminating their paths to success. Embrace the opportunities, overcome the challenges, and let career guidance be your guiding light.

**A Lifetime of Success  
Begins Here!**

## Mission of SJPS

*Is to Sustain A Thinking School, Facilitate Learning Environment, Upgrade Constantly towards Futuristic Educational Trends, and Favour Research based Curriculum Transaction in making our Students Progressive, Productive and Purposeful.*

EMOTIONALLY STABLE;  
INTELLECTUALLY VIBRANT;  
SPIRITUALLY ENLIGHTENED AND  
SOCIAALLY COMMITTED.

# GENESIS

No matter what people claim, the reality is that success does not make its way overnight! It's like a plant that has to be watered and nourished daily, right through its genesis as a sapling, to the time it blossoms with shimmering colors and even beyond...! It is the right time of the year to share with all readers of this Special News

letter, the remarkable journey of an outstanding academician, a brilliant mentor and change maker, a person driven by sheer passion and enthusiasm, a visionary so dedicated and benevolent, a history maker so dauntless and selfless, a life long learner so energetic and enlightened and above all a legendary leader so stunning and inspiring!!

## Childhood and Early life

Born on 16th June, 1960 in Nazareth, Thoothukudi District as the first son of the Founder Couple of the St. John's Group of Schools- Late RT. Rev. Dr. G. Rajakumar, Late Mrs. Sakunthala Rajakumar, a teacher by profession, Dr. R. K started his schooling in St. John's Senior Secondary School, Mandaveli. As a young lad, Dr. R. K excelled in academics and was described by his teachers as a bright and hardworking student who had a strong desire to

learn. As a child, he always aspired to do Medicine and possessed the childhood dream

of becoming a Doctor. He studied and worked strenuously and got admission into a Medical College after completing his schooling. But it was his dad's desire and request of becoming a noble Teacher that Dr. R. K obliged and respected, thereby giving up on his Medicine dreams for the cause of Educating the Society as much as he could. This speaks of the esteemed reverence he had for his parents and the belief that his parents' decision would turn out to be good for him, whose fruits we are enjoying today through his various roles at St. John's Group of School!!

## 2012 - The Year Bookmarked For A Remarkable Beginning

St. John's Public School, an English-medium, co-educational, full-fledged CBSE school, the Flag-ship school under St. John's Rajakumar Education & Research Trust opening its gates at Lake Bund Road, Medavakkam on 16th June, 2012, was an answer to the community's prayers. The School captured the attention of the community since the moment of its foundation, admitting

1046 Students for its first academic year that had from Classes Pre KG to Class VIII. Dr. R. K's genius improved manifolds, the ambience of the new creative nest that would teach its little ones to fly on their own wings confidently and that every child who entered the gates of SJPS Medavakkam, knew his or her potential would never be left unexplored.

## Education & Career

Dr. R. K took his first degree in Zoology in New College, Chennai followed by his Post Graduation in Zoology from Madras University and a Post Graduation in Education from Madras University. He also holds a Doctorate Degree in Education from City University, Los Angeles. Having proved his mettle as a Biology Teacher in St. John's Senior Sec. School, Mandaveli, he was promoted as the Vice - Principal (Administration) in the same School for the year 1982 - 1983. Later he was transferred and promoted as the Principal of St. John's English School & Junior College, Besant Nagar, Chennai. Bringing up this institution from 400 students to 2000 students was no easy feat but was possible because of his academic and administrative abilities. He has put on 10 fulfilling years of service in this Institute as a Principal (1983 - 1993) and later served as the Correspondent and Administrative Head till June 2006.

## Awards & Honours!

Dr. R. Kishore Kumar has won several awards and titles throughout his journey so far, some of them being "National Award for Computer Literacy Excellence for the state of Tamil Nadu" for the year 2003 from the hands of Hon'ble President Dr. APJ Abdul Kalam, "Science Popularisation Award", "Udyog Gaurav Award", "Mukta Adhyapak Shiromani Award", The Centenarian Seva Ratna Award, "Academic Honour Award", "Best Principal Award", "The Most Inspiring Teacher Award" - through online polling among Students, "Padma Vidyasagar" Title and Times of India - "Edupreneurs Award" and many more. Despite the range of titles, he had earned throughout his lifetime so far, the down to earth visionary prefers to call himself a TEACHER!!

## Foundation Day

The foundation Day is observed on 16th June of every year. Celebrating the school foundation day fosters a sense of community and belonging among students, teachers, staff, and alumni. It strengthens the school spirit and creates a shared identity among the members of the institution.

**Foundation day - "A time to cherish our history, embrace the present, envision an inspiring future and aspiring to build a legacy of knowledge, compassion, and excellence."**

# Empowering Futures: Where Dreams Take Flight -

## Resource Centers: The Gateway to Success!

### Computer Lab

The Computer Labs cater to both junior and senior students, providing a technologically immersive environment. Equipped with modern computers and software, these labs are hubs of innovation, coding, and digital literacy.

### Library

Our Junior Library serves as a gateway to the world of literature for our young learners. Filled with age-appropriate books and interactive learning resources, it sparks curiosity and fosters a love for reading among our junior students.

The Reference Library is a treasure trove of knowledge for our senior students. Stocked with an extensive collection of books, journals, and digital resources, it provides a conducive environment for research, academic exploration, and intellectual growth.

### Indoor Sports Room

Promoting physical fitness and sportsmanship, our Indoor Sports Room offers a variety of indoor games and activities. It provides students with a space to unwind, stay active, and develop teamwork and leadership skills.

St. John's Public School takes pride in its diverse array of resource centers, each meticulously designed to cater to the specific needs and developmental stages of our students. These centers are not just physical spaces; they are dynamic hubs that empower our students with knowledge, skills, and a passion for lifelong learning. As we continue to invest in these facilities, we remain dedicated to providing an educational environment that inspires excellence in every facet of our students' academic and personal growth.

## Math Lab

Our Maths Lab is a dynamic space where abstract mathematical concepts come to life through hands-on activities. It encourages students to explore, experiment, and develop a strong foundation in mathematical principles.

Our well-equipped Science Labs offer a hands-on learning experience. From biology to physics and chemistry, students engage in experiments, honing their practical skills and developing a deeper understanding of scientific concepts.

## Science Lab

## Audiovisual Room

The Audiovisual Room is a multimedia haven where lessons transcend traditional boundaries. With cutting-edge audiovisual technology, it enhances the learning experience, making education more immersive and engaging.

### ACADEMIC STRENGTHS

- The heartthrob of SJPS is its Academic strength. The school right from 2014 – 2015 has started sending students for CBSE Board Examinations.
- In the very first Academic Year 2014 – 2015, our Class X students gave a kick start with 100% results which has been constantly maintained.
- In the just completed academic year (2022 – 2023) too in both classes X and XII our school has secured 100% pass results. A special gift this academic year was a total of 33 centums in various main subjects. The top scorers were Miss. Hasvika Konduru of Class X with a score of 493 out of 500 and Mast. Gopalakrishnan of Class XII with a score of 489 out of 500. Total of 25 students in class XII scored a total of 45 and above in class XII.

*At St. John's Public School, our commitment to holistic education is reflected in our state-of-the-art resource centers designed to nurture a diverse range of talents and skills.*

### KG Activity Room

The KG Activity Room is a vibrant space designed to stimulate creativity and imagination in our youngest learners. Filled with age-appropriate activities and educational toys, it fosters a positive and engaging early learning experience.

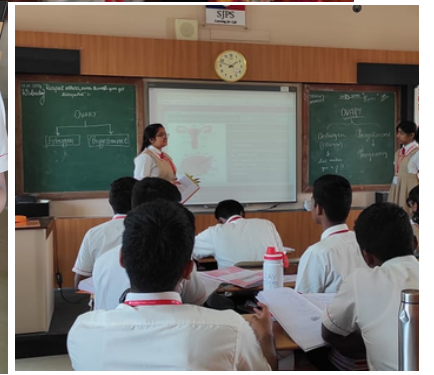

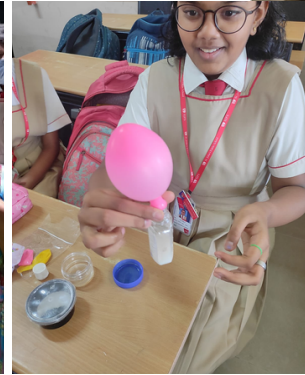

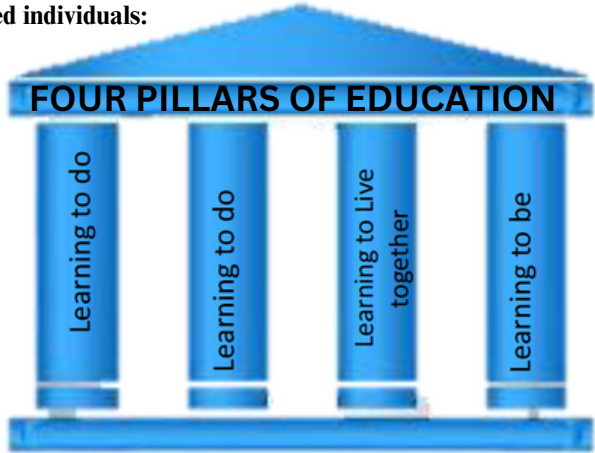

*"Resource centers are the heartbeat of learning, pulsating with the energy of ideas and the rhythm of exploration"*

## Scholarly Pursuits at SJPS

"In the realm of education, a school is more than just a physical structure; it's a vessel harboring the promise of tomorrow. Within its classrooms, the destiny of individuals and humanity unfolds. The lessons taught today shape the world of tomorrow. Recognizing this profound responsibility, SJPS envisions itself as a 21st-century institution committed to a holistic approach, seamlessly integrating the past, present, and future needs of its students. Embracing the principles of the 4 Pillars of Education, SJPS is dedicated to fostering well-rounded individuals:

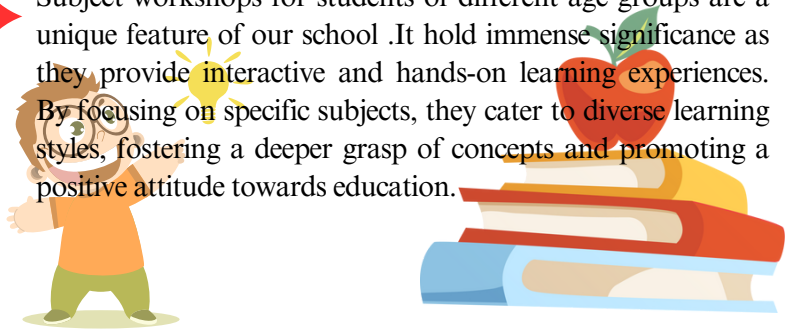

We believe that education extends beyond textbooks and exams. In our pursuit of excellence, we aim to provide maximum opportunities for students to explore, initiate, and develop self-reliance and leadership qualities. At SJPS, we are not just building futures; we are shaping lives and preparing our students to thrive in a dynamic and ever-evolving world."

## Igniting Minds, One Subject Workshop at a Time.

### "Masterclass Moments: Subject-Specific Sparks!"

Subject workshops for students of different age groups are a unique feature of our school. It holds immense significance as they provide interactive and hands-on learning experiences. By focusing on specific subjects, they cater to diverse learning styles, fostering a deeper grasp of concepts and promoting a positive attitude towards education.

# "SKILLFIESTA: UNLEASHING POTENTIAL THROUGH SPECIAL COURSES AT SJPS"

Short-term special courses at SJPS, such as "Golden Words," "Basic Organization Skills," "Zumba," "Etiquette," "Home Skills," and "Basic Abacus" for KG, along with advanced courses like "Robotics," "Web Designing," "Coding," "Food and Nutrition," "Flower arrangement", "Journaling," "Interior Designing" for middle school, and "Money Literacy," play a pivotal role. They impart practical, diverse skills, nurturing well-rounded individuals and preparing students for real-world challenges. These classes enhance creativity, critical thinking, and proficiency, contributing significantly to students' personal and academic growth.

*Education goes beyond the classroom when life skills become the cornerstone of learning.*

**BIOLOGY GUEST LECTURE**

## Guest lectures Series

A distinctive feature of SJPS is the annual guest lecture series for the students of senior school. Renowned experts from diverse fields share invaluable insights and real-world perspectives, enhancing students' learning experiences. These lectures expose students to current industry trends, apply academic knowledge practically, and showcase diverse career pathways. The guest speakers serve as sources of inspiration, motivating students while bridging the gap between theoretical learning and practical implementation.

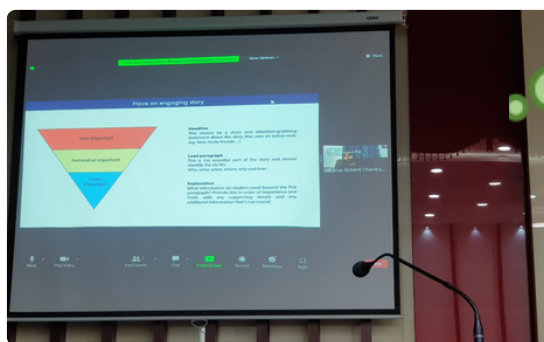

**ECONOMICS GUEST LECTURE**

Live online workshop on scientific blogging and interaction with Dr. Arun Richard Chandrasekaran, Senior Research Scientist at The RNA Institute at University of Albany, State University of New York (SUNY).

**COMPUTER GUEST LECTURE**

## PILOT PROGRAMME

The pilot program of SJPS is a milestone venture that aims to equip the students of classes IX to XII with the skills and knowledge required for competitive exams like NEET, IIT and JEE. The program was launched in 2022 and offers a comprehensive curriculum that covers the core subjects and topics relevant for these exams. The program also provides guidance and mentoring from experienced faculty and experts in the field.

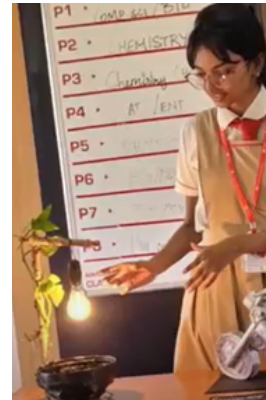

# "Striking a Harmonious Balance"

St. John's Public School places a harmonized emphasis on both the scholastic and co-scholastic dimensions of education. Acknowledging the crucial role of co-scholastic activities in enriching and broadening students' learning experiences, our school distinguishes itself through an exclusive and fully-fledged Co-Scholastic Department. This department not only complements formal education but also

education but also significantly contributes to the holistic development of our students. At the intersection of the school and the Co-Scholastic Department lies a myriad of extracurricular events. These events open doors to a vast array of activities, providing students with valuable insights to help them discover and choose what they enjoy and wish to learn.

## "Exploring Excellence"

At our school, we seamlessly integrate Olympiads and competitive exams alongside our curricular activities, offering students broader opportunities and enhanced educational exposure. Our students are encouraged and trained to take part in a spectrum of competitions, including SOF Olympiads covering various subjects, All India Talent Search Exam, National Level Math Olympiad,

Pre Regional Math Olympiad (PRMO), TERI Green Olympiad, Cambridge British Council Exams, International Olympiad of English Language, French Word Power Contest, International SpellBee Contest, Maruti All India Child Art Competition, National Talent Search Exam, Global Art Creative Star Contest, SIP Arithmetic Genius, and BYJUS School Super League Contest, among many others.

## "Thriving Partnerships"

St. John's Public School Nurtures Opportunities with External Organizations and Educational Institutions. Our students get to explore a wide spectrum of educational and co-scholastic experiences through our partnerships with SPACE India Pvt Limited, Cambridge British Council, Allen Career Institute, SpellBee International, EDWISE Overseas Education, Science Olympiad Foundation, National Teachers Council, Silver Zone Foundation, English Learning Foundation (ELF), SIP Abacus Academy, Prayatna Educational Society, and numerous other enriching programs.

## "Indulging in a World of interests: CLUB ACTIVITIES"

Within our school, a vibrant tapestry of 22 active clubs enhances the learning experience for our students. As the proverb wisely states, 'Teach me and I may forget. Show me and I might remember. Involve me, and I will never forget.' True to this philosophy, SJPS actively engages students through a diverse array of club activities, including the Talent Promotion Club, Music Club, Hobby Club, Theatre Club, Fine Arts Club, and more. These club activities serve as catalysts for creative thinking and artistic expression, providing students with a dynamic platform to explore and cultivate their interests.

**"These experiences prepare our students for the challenges and opportunities that lie ahead. Our commitment to providing diverse club options reflects our dedication to nurturing holistic development and creating a vibrant, engaging learning environment for every student."**

# FACULTY DEVELOPMENT ODYSSEY

Faculty development programme is an integral part of SJPS annual agenda as the faculty are constantly driven with specific areas on teaching profession, teaching methodologies, classroom management, assessment & evaluation techniques, innovative practices, art of mentoring, behavior monitoring, in character watch and transformation of a raw student to the best human resources.

*"A thriving faculty is the heartbeat of a vibrant educational community, pulsating with knowledge, passion, and innovation."*

## CBSE Capacity Building Program

*Teaching is an art; faculty development is the gallery where masterpieces are crafted."*

## "ELEVATE & NAVIGATE: CONFLUENCE"

The school organizes a two-day Confluence for the incoming Class 11 students, introducing them to the critical two years of Senior Secondary Stage and instilling a dedicated mindset to achieve their life dreams as enriched products of two continuous years of final schooling at SJPS. The official part of the event collectively focuses on various topics like Strategic Schooling @ SJPS, The Significance of Senior Secondary Phase, The school organizes a two-day confluence for the

incoming Class 11 students, introducing them to the critical two years of Senior Se A Self-regulated Routine, Career Prospects & Options, Preparatory Phase for Higher Education. The sessions are highly interactive, participatory, and serve as an eye-opener for the new batch of students and their faculty, providing a rewarding experience for all. The program aims to offer a clear idea of what lies ahead for each student during the next two years at SJPS.

## CELEBRATING ELEGANCE:

### *The Enchanting World of Dolls Unveiled!*

Dolls are a fascinating and cherished item for many children. SJPS organizes Doll Expos to showcase the collection of thousands of dolls from different styles and cultures, contributed by KG and Primary students of SJPS. The expo also features various activities such as pet talks, horse rides, toy train rides, and stalls for the visitors to enjoy.

## ART EXPO @SJPS

The art fair of SJPS showcases the artistic talents of our students and provide a platform for creativity and expression by featuring a diverse range of artworks created by students from various grades. Each class contributes unique pieces, showcasing a variety of artistic styles and mediums. The event fosters a positive vibe, with students supporting and celebrating the rich tapestry of artistic expression within our school. The School Art Fair successfully engages not only students and faculty but also parents, guardians, and members of the local community. The shared experience of appreciating art strengthens the sense of community within and beyond the school.

## Library Week

In St. John's Public School, Resource Centres play major role in supporting and scaffolding the academic rhythm of the wholesome school. Of the many resource centres working integrated with the on-going school system, Department of Library & Information Science play a major part as the hub of all the school based activities. SJPS organizes special author sessions, book fair and activities like Preparing comic strip, Lib-Q, Word search, Vocabulary Building Game, Story Pyramid, Lingo Bingo, Scavenger Hunt.

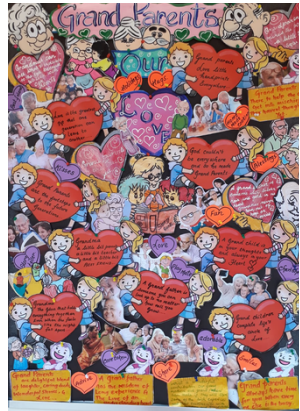

# SJPS Special Assembly

The school organizes Special Assemblies once every month on important social themes. These well planned Special Assemblies are looked forward to and awaited by the students and teachers as unique value-based platforms to train and

present to the school their inner mind , creative ability , performing talents ,creative writing , expressive mind and of course a forum to expose their team building and the leadership qualities .

## "Expresso Bulletin: Where Knowledge Meets Creativity!"

The fortnightly class wall magazine has become a vibrant cornerstone of our learning community, weaving together diverse threads of information, creativity, and shared experiences. The class wall magazine focuses on specific topics that have been instrumental in shaping our educational journey.

## Observance of Important days

Aligned with CBSE curriculum requirements, SJPS prioritizes and acknowledges the significance of certain "important days" throughout the academic year. These days, deemed as motivational, socially inspiring, and educational, are categorized as single star, double star, and triple star days. Assigned to different departments, clusters, and clubs, the observance of these days goes beyond a mere event. SJPS ensures that students integrate the essence of these days into their lives, fostering continuous learning and engagement.

*"Embracing the Future, Inspiring Excellence: Our 21st-century school cultivates innovation, curiosity, and global citizenship for a world beyond boundaries."*

**Celebrating Generations: Grand Parents Day @SJPS**

# LITZ -English Literary Congress

"Our school hosted an exciting event called "LITZ- English Literary Congress" for middle school students (classes 6, 7, and 8). More than 350 students participated, making it a fantastic day of learning and fun. Dr. Lillian Jasper, the Principal and Head of the English Department at Women's Christian College, inaugurated the event with an inspiring speech about the importance of English Literature in our lives. She highlighted how English is not just a subject but a

crucial part of our daily experiences. LITZ- English Literary Congress was a success, creating a vibrant learning atmosphere and encouraging students to see English in a whole new light.

# SJPS TAMIL NADU STATE LEVEL CHESS TOURNAMENT

Chess tournaments promote strategic thinking, concentration, mental agility and strategic skills in participants. St. John's Public School, conducted a State Level Chess Tournament under the affiliation and auspices of Kancheepuram Chess Association. The school level Tournament was open to all patterns of schools from the three districts, Chennai Kancheepuram & Thiruvallur.

## RANGOLI FEST @ SJPS

RANGOLI, our Annual cultural event is a vibrant inter-school cultural celebration that infuses the essence of cultural spirit. SJPS campus transforms into a festive hub as 1000 students gather to witness a high-tech cultural extravaganza performed by participants from 50+ schools across all zones of the city. The event comprises four categories and features 20+ competitions, each executed with high energy.

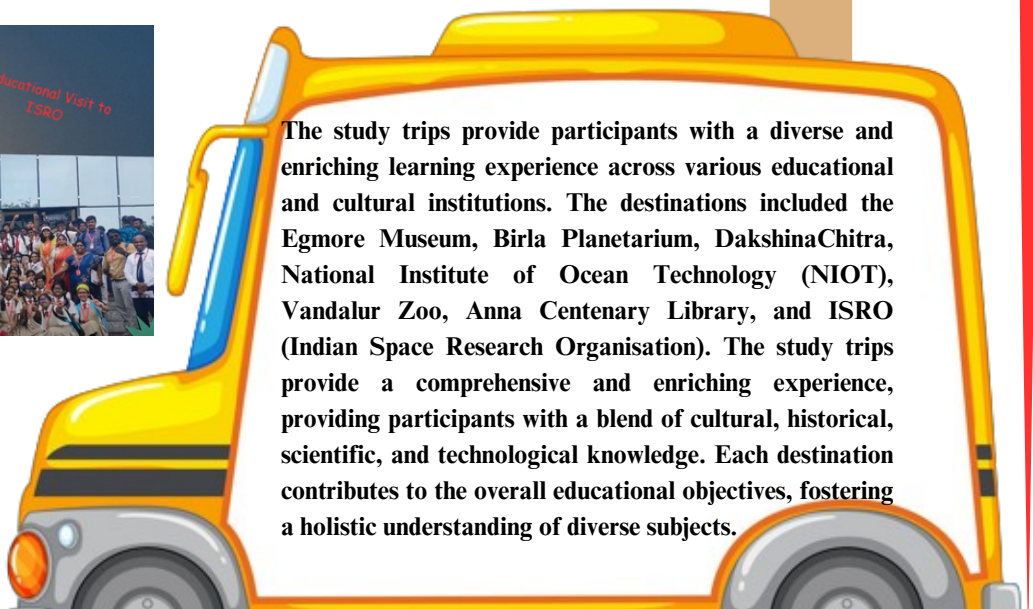

**"SJPS Cultural Fest: where diversity dances, creativity sings, and unity celebrates the beautiful symphony of talent within our vibrant student community."**

# SCIENCE EXPO

*"Science expos: where ideas take flight, curiosity takes center stage, and the seeds of future breakthroughs are sown."*

## STUDY TRIP

The study trips provide participants with a diverse and enriching learning experience across various educational and cultural institutions. The destinations included the Egmore Museum, Birla Planetarium, DakshinaChitra, National Institute of Ocean Technology (NIOT), Vandalur Zoo, Anna Centenary Library, and ISRO (Indian Space Research Organisation). The study trips provide a comprehensive and enriching experience, providing participants with a blend of cultural, historical, scientific, and technological knowledge. Each destination contributes to the overall educational objectives, fostering a holistic understanding of diverse subjects.

# ANNUAL DAY

The Annual Day celebration at SJPS is not merely a day on the calendar; it is a culmination of hard work, talent, and shared experiences. Parents witness first hand the growth and development of their children, gaining insight into their academic and extracurricular accomplishments. The collective effort put into organizing and participating in the event creates lasting memories for students, forming a bond that extends beyond the academic realm.

# Graduation DAY

The much-anticipated graduation day for the UKG class at SJPS is a remarkable occasion, dedicated to commemorating the achievements and progress of our young learners. This special moment allows us to reflect on their unique learning journey and look forward with anticipation to the next stage of their education.

*"Festive Delight: Embracing Joy in Our Christmas Celebration"*

# Sports @ SJPS

At SJPS , we believe in fostering holistic development, and sports play a pivotal role in achieving that goal. Our state-of-the-art facilities and experienced coaches ensure that our budding sportsmen receive top-notch training.

We are proud to announce that our sports enthusiasts have clinched various prizes in competitions, showcasing their dedication and skills. To site a few- Mast. Akshay Raghul won a Gold medal at International Level in Discus Throw, Miss. Margaret Kezia of Class XII emerged as the winner in CBSE National Athletics (High Jump), Runner up Trophy in the Under 14 Cricket tournament conducted by Grand Sports Cricket Academy , Mast. Mohammed Harris was the winner in Roller Skating Competitions organized at State and National Levels and has represented India in China.

We extend our heartfelt congratulations to all our sports achievers and look forward to achieving greater heights in the field of sports.

# AWARDS AND RECOGNITIONS

> 'Guru Rabindranath Tagore Samman 2019' Award given by Avantika Groups.

> Our Correspondent is the Goodwill Ambassador - International Organising Council of TN Govt. NTGM Board on Plastic Pollution.

Hello! I'm Padma, currently a graduate from SJPS. Some of my best memories are from my time at St. John's. I am so grateful that I have been given the time and chance to discover the parts of myself that I am. Time and again, whenever I want to take on new opportunities or participate in different activities, I am able to put my best foot forward thanks to the assistance of my teachers and the encouragement of my peer group. I learn to try new things, ask questions, and support my peers too. The most important lesson I learn from SJPS is that growth is never linear. We are growing every day, and every little experience adds to it. I wish anyone reading this all the patience and curiosity in the world to work with yourself lovingly and discover new things to add to your palette.

**Padmavathi Venkatraman**  
University of California, Berkeley

## STUDENTS ACCOLADES

> Miss. Andrea. C of our School has received her Guinness World Records certificate for her participation in the largest Bharatanatyam Dance achieved by Department of Tourism, Govt. of Tamil Nadu in Chennai on 8th Feb, 2020.

> Miss. Patralika Mahata of Class III has achieved Distinction in the SpellBee International exam for the State level (L2) by scoring 100 out of 100 in the main exam.

> Our Students Mast. Arun Kumar. A. R of Class XII, Mast. Krishang Balanarayan of Class XII and Miss. Janhvi Aneja of Class XII emerged as winners in the Chennai Got Talent Competition.

My journey at SJPS paves the way for fostering my interests and shaping me into a well-rounded individual, a source of everlasting gratitude. I have been part of the Student Council throughout my years and currently serve as the Head Girl in my final year. Developing a fondness for delivering speeches to a crowd, a skill crucial in today's world, became a notable aspect of my experience. The love for scientific research grew from the diverse topics taught by our teachers. The remarkable teaching staff, principal, correspondent, and dean collectively support every student's journey, providing guidance and opportunities at every stage. Today, I am studying at an international research-led university, a direct result of my experiences at SJPS.

**Ms. Tithi Gandhi,**  
Bachelor of Biomedical Sciences (majoring in  
Reproduction, Genetics and Development),  
University of Otago, New Zealand

**Our School sends 1000+ Students every Academic Year to participate in various Olympiad Exams @ National and International Level and also SpellBee International and other Arithmetic Genius Competitions. The list of gold medal winners and other achievers are endless. The School has also bagged several prizes and overall trophy at Inter School Cultural Events.**
